- All our meats are exclusively Glatt Kosher Lamehadrine.*
- All our Pesach tableware and equipment are exclusively dedicated.*

- The permanent presence of all teams of qualified and duly trained chomerim, in the kitchen and dining room, and in close and permanent contact with Rav Benagou.*

During our stays, the synagogue is a privileged place to experience moments of prayer and meditation to the full, offering an ideal spiritual setting for the many Yom Tov and Shabbat holidays.

PESACH: FROM SEDARIM TO SERVICE ENTERTAINMENT, FROM
TORAH CLASSES AND LECTURES TO OUR PAHTAN WORSHIPERS.

Avi Delevanti
Famous Paytan

The renowned Avi Delevanti, a third-generation descendant of Cantors and Paytanim, will perform all the services of our Passover.

From childhood, he was immersed in Moroccan, Arab and Oriental musical traditions, as well as in the cantorial songs passed down by his father. He began performing in public at the age of seven, accompanying his father at religious ceremonies and weddings.

At 17, he launched his solo career, performing around the world and sharing the stage with renowned artists, notably in Israel, where he collaborated with Andalusian orchestras.
