We'll be honored to have a Rav with us for the entire stay, officiating in the synagogue and giving lectures on Yom Tov.

We'll also have a Hazan on hand for the services and to set the mood at mealtimes.

KOSHER CERTIFICATION FROM THE BETH DIN OF NICE

Our stays are characterized by strict kosher practices certified by the Beth Din of Nice and its region:

- Koshering for **Shavuot in Laméhadrine** standards by a team of meticulous chomerim who ensure every detail is followed.
- All our meats are exclusively **Glatt kosher Laméhadrine**.
- The permanent presence of teams of qualified and hard-trained chomerim, in the kitchen and dining room, and in contact with the Rav.

SYNAGOGUE

During our stays, the synagogue is a special place that allows you to fully experience moments of prayer and reflection, offering an ideal spiritual setting for the numerous Yom Tov and Shabbat celebrations during these holidays.
